Friends of CGS Newsletter February 2014

Dear Parents, Carers and Friends,

On behalf of the Friends of Caistor Grammar School, I would like to say a big thank you to you all for your very kind donations to the Christmas Wish List. The school benefited by a total of approximately £1290.00! In addition to the individual items donated to specific departments, your generosity this year has enabled us to support the purchase of two new resuscitation dolls to facilitate the teaching of First Aid to all students, and a set of 'Great Expectations' for the English Department.

We make a big difference to school life by our fundraising – and by continuing to provide a friendly refreshment service at various school events.

Quiz Night Friday 14th March, Grasby Village Hall, Grasby

Our next event is the annual quiz night. Given the popularity and success of the event last year, we intend to keep to the same format. I can promise you a very enjoyable evening. We are grateful, once again, to Mrs Anne Mackenzie for her help in preparing the food and to Mr David Bradbury for compiling the quiz. There will be a licensed bar with local beer supplied by Tom Wood and a variety of wine and soft drinks.

Tickets are priced at £6 to include supper and will be available from the School Office. Teams may consist of up to six people. The money should be sent to school in an envelope marked "Friends' Quiz Tickets". Please make cheques payable to the "Friends of Caistor Grammar School".

With best wishes

Monica Kent
Chair of Friends
